

Appendix 11 (a)

Youth Art Contest

1st Prize Winner: Stanley Itsi (Gwich'in) Fort McPherson, NWT

Age: 26

Untitled

“Without proper guidelines and safety measures we, as a Nation, will be defeated by this nuclear waste that is worldwide.

We must protect mother earth from being violated. The nuclear waste is very destructive, take a look at this picture and make your own assumption. You decide whether you want to see a near future like this!

I believe that we, as a Nation, must voice our concerns to bring us closer to protect the earth from being destroyed.”
