Ethical Expert Roundtable: *Teleconference Monday April 5th: 7:00 – 9:00 p.m.*

The objective of this meeting was to review and discuss the draft document tabled by Andrew Brook entitled 'Ethical and Social Framework' (which summarized the discussion of the Roundtable to date), identify revisions, and a plan for transmittal to NWMO as preliminary guidance to work of the Assessment Team.

Over the course of the meeting, Roundtable members suggested edits, additions and deletions to the draft document. It was determined that a revised draft, incorporating the changes suggested, be circulated for further review and consideration with the intention of finalizing the document at the next meeting.
