## Independent Auditor's Report

---

To the Trustees of the AECL Nuclear Fuel Waste Trust Fund:

### Opinion

We have audited the financial statements of AECL Nuclear Fuel Waste Trust Fund (the "Trust Fund"), which comprise the statement of financial position as at December 31, 2019, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust Fund as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Matter

The financial statements of the Trust Fund for the year ended December 31, 2018 were audited by another firm of Chartered Professional Accountants who expressed an unmodified opinion on those statements on February 25, 2019.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Fund's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Fund's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# AECL Nuclear Fuel Waste Trust Fund

## Notes to the Financial Statements

For the year ended December 31, 2019

---

### 1. Description of Trust

The Nuclear Fuel Waste Act, an Act respecting the long-term management of nuclear fuel waste, came into force on November 15, 2002. Pursuant to the Act, the Trust Fund was settled by Atomic Energy of Canada Limited and the assets of the Trust Fund are held by CIBC Trust Corporation. Contributions to the Trust Fund were made in accordance with the provisions of the Act.

### 2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada and include the following significant accounting policies:

#### ***Use of estimates in the preparation of financial statements***

The preparation of the financial statements of AECL Nuclear Fuel Waste Trust Fund requires the trustee to make estimates and assumptions, mainly concerning the valuation of items, which affect reported amount of assets, liabilities, net income and related disclosures. Actual results could differ from these estimates.

#### ***Short-term investment***

Short-term investment include short-term investments with original maturities of three months or less. Short-term investment are classified as held-for-trading and are carried at the fair value, which is the quoted market price. As at December 31, 2019 and December 31, 2018 there were no short-term investments held by the Trust.

#### ***Fixed-term securities***

Fixed-term securities are classified as held-for-trading investments and are carried at the fair value, which is the quoted market price.

#### ***Revenue recognition***

Interest earned on cash and short-term investment and fixed-term securities is taken into income as it accrues, at the effective interest rates.

#### ***Income taxes***

The Trust Fund has been exempted from filing income tax return, therefore no provision for income taxes has been recorded.

## 5. Financial instruments

The Trust Fund, as part of its operations, carries a number of financial instruments. It is management's opinion that the Trust Fund is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

### *Fair value*

The Trust Fund's financial instruments comprise of cash and short-term investment, interest receivable, fixed-term securities and accounts payable and accruals. These financial instruments are reported at their fair value. The fair value of cash, interest receivable and accounts payable and accruals are the same as the carrying values due to the short-term nature. The book and fair values of fixed-term securities are disclosed in *Note 3*.

### *Interest rate risk*

The following table give the detailed maturity dates and interest rates on the financial instruments.

	Less than 3 months	Over 3 months to 1 year	Over 1 year to 5 years	Over 5 years	Total
<b>Assets</b>					
Cash and short-term investment and fixed-term securities	25,802	-	15,098,057	39,176,764	54,300,623
Rate	-	-	1.88% - 2.70%	2.35%-3.65%	

### *Currency risk*

The Trust Fund only invests in Canadian dollar denominated instruments to avoid taking in currency risk in the portfolio.

## 6. Subsequent event

Subsequent to year-end, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Trust as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
