INDEPENDENT AUDITOR'S REPORT

To the Trustee of
AECL NUCLEAR FUEL WASTE TRUST FUND

Report on the Financial Statements

We have audited the accompanying financial statements of **AECL NUCLEAR FUEL WASTE TRUST FUND**, which comprise the balance sheet as at December 31, 2010, and the statements of income and capital and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted auditing standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of AECL NUCLEAR FUEL WASTE TRUST FUND as at December 31, 2010, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

AECL NUCLEAR FUEL WASTE TRUST FUND

Notes to Financial Statements Year Ended December 31, 2010

1. Description of Trust

The Nuclear Fuel Waste Act, an Act respecting the long-term management of nuclear fuel waste, came into force on November 15, 2002. Pursuant to the Act, the trust was settled by Atomic Energy of Canada Limited and the assets of the trust are held by CIBC Trust Corporation. Contributions to the trust were made in accordance with the provisions of the Act.

2. Summary of Significant Accounting Policies

- (a) Use of estimates in the preparation of financial statements

The preparation of the financial statements of AECL Nuclear Fuel Waste Trust Fund requires the trustee to make estimates and assumptions, mainly concerning the valuation of items, which affect reported amount of assets, liabilities, net income and related disclosures. Actual results could differ from these estimates.

- (b) Cash and short-term investment

Cash and short-term investment include cash on account and short-term investment with original maturities of three months or less. Cash and short-term investment are classified as held-for-trading and are carried at the fair value, which is the quoted market price.

- (c) Fixed-term Securities

Fixed-term securities are classified as held-for-trading investments and are carried at the fair value, which is the quoted market price.

- (d) Revenue Recognition

Interest earned on cash and short-term investment and fixed term securities is taken into income as it accrues, at the effective interest rates.

- (e) Income Taxes

The trust has been exempted from filing income tax return, therefore no provision for income taxes have been recorded.

- (f) Future Accounting Changes

The Canadian Institute of Chartered Accountants ("CICA") has announced a new accounting standards for Not-For-Profit Organization (Part III) for annual financial statements relating to fiscal years beginning on or after January 1, 2012. Not-For-Profit

(c) Currency risk

The trust fund only invests in Canadian dollar denominated instruments to avoid taking in currency risk in the portfolio.

6. Capital Management

The Trustee invested the Trust Fund consistent with the Policy Statement of the Trust Indenture. The primary investment objective of this Policy Statement is to preserve the capital of the Trust Fund for the benefit of future policy decisions made by the Nuclear Waste Management Organization as determined from time to time.

The second investment objective is to earn the highest (net of all costs) rate of return on the assets without taking excess risks.

In general the portfolio will follow a conservative "buy and hold" trading philosophy. The trustee, however, is permitted to exercise their professional judgement and make changes in their sole discretion as necessary to achieve the objectives of the portfolio.

The investment time horizon is dependent on the policy decisions of the Nuclear Waste Management Organization and any relevant legislation changes. While these policy decisions continue to evolve, the current view is that investment time horizon for the Trust is expected to be long term as the actual underlying waste management activities are expected to occur between 2025 and 2030.

AECL NUCLEAR FUEL WASTE TRUST FUND,

Notes to Financial Statements Year Ended December 31, 2010

6. Capital Management (Cont'd...)

As the purposes of the Trust is to fund the policy decisions of the Nuclear Waste Management Organization when called upon, there must be sufficient liquidity in the portfolio to meet these needs. Atomic Energy of Canada Limited will keep the trustee informed of potential cash flows as information becomes available in order to avoid distressed liquidation of portfolio positions.

Atomic Energy of Canada Limited is constrained by Financial Administration Act ("FAA") on ownership of shares and by Department of Finance regulations on the quality of issuers' securities.

In order to achieve the investment objectives at an acceptable level of risk and within the FAA and Department of Finance's guidelines, the following policy asset allocation ranges and strategic benchmarks have been established.

<u>Asset Mix</u>	<u>Strategic Benchmark</u>	<u>Permissible Range</u>		<u>Maturity Limit</u>
		<u>Minimum</u>	<u>Maximum</u>	
Cash and Money Market	10 %	- %	40 %	12 months
Fixed Income Instruments				
Canadian - Government	75 %	50 %	100 %	Not exceeding 2025
Guaranteed				
Corporate Issues	15 %	- %	50 %	Not exceeding 2025
Total portfolio	100 %			

The Trustee is permitted to set and vary the asset mix depending upon the current economic and market conditions as well as the Trustee's outlook, provided that the asset mix remains within the permissible ranges set out above. The Trustee should periodically rebalance the portfolio in order to compensate for asset allocation shifts arising from differences in rates of return and changes in market prices on the individual securities and different asset classes.
