3. Business Arising from the Minutes

The President reviewed the status of actions arising from the August Board meeting.

The Board was advised that additional submissions had been received by the NWMO through the month of August, as part of the dialogue with the public and Aboriginal peoples. The NWMO undertook to keep the Board apprised of the comments received through this phase of public engagement.

**AUDIT, FINANCE AND RISK COMMITTEE**

4. Remuneration of Auditors

Mr. Long, Chair of the Audit, Finance and Risk Committee, introduced the item concerning remuneration of the external auditors, brought forward for Board approval.

He reported that NWMO Members, at their June 2005 annual general meeting, had appointed Deloitte & Touche as the external auditors to undertake the audit of NWMO's 2005 fiscal year. The Board of Directors must now determine the level of remuneration to be paid to the auditors.

The Audit, Finance and Risk Committee is required to advise the Board on the remuneration of the external auditor. Accordingly, the Audit, Finance and Risk Committee addressed this matter at its July meeting. The Committee reviewed the proposed fee structure for the 2005 year-end audit, of \$18,500 plus taxes and associated administrative expenses, and found the proposed fee to be reasonable. The Audit, Finance and Risk Committee has proposed this fee structure for Board consideration.

The Board of Directors discussed the matter, and approved a remuneration level.

**IT IS HEREBY RESOLVED** that:

The remuneration of the external auditors, for undertaking the external audit of NWMO's financial statements for fiscal year 2005, be confirmed at \$18,500 in audit fees, plus applicable taxes and associated administrative expenses.

5. Report from the Audit, Finance and Risk Committee

On behalf of the Audit, Finance and Risk Committee, Mr. Long reported on the Committee's July 2005 meeting. He noted that an outline of the 2006 business plan, presented by the NWMO, was among the items discussed by the Committee. In addition, the Committee discussed the NWMO's financial reporting practices, policies and procedures, and found them to be appropriate for the organization in its present mandate. As the NWMO prepares to move into the implementation phase, it will continue to review its policies and procedures

to ensure continuance of good governance and appropriateness in light of the organization's activities and mandate. Mr. Long invited Board discussion.

6. Financial Reports

The President tabled, for information, the Q2 2005 financial statement for the NWMO, and invited Board comments and questions.
