

Company Profile

Golder Associates is a premier global group of consulting companies, specialising in ground engineering and environmental services. By fulfilling client's needs and building strong client relationships, our people have made Golder Associates one of the most trusted sources of professional services in the world. We have worked hard to earn our reputation, built on the quality of our professionals and the success of our clients.

Operating as an employee-owned group since its formation in Toronto in 1960, Golder Associates has created a unique culture with pride in ownership and a commitment to providing technically sound and cost-effective consulting and contracting services. We develop close working relationships with clients to understand the specifics of the complex environments in which they operate. It is this understanding that enables us to help our clients succeed.

Golder Associates' Worldwide Offices

Golder Associates has experienced steady growth for more than four decades and has more than 4,000 dedicated people operating in local companies, with offices across Africa, Asia, Australia and New Zealand, Europe, North America, and South America. Our growth and diversity of services have paralleled the needs of our clients as they operate in an ever-changing and complex global environment.
