Guiding Principles

Discussion Questions

➤ Will the proposed guiding principles help ensure that the siting process is fair and appropriate?

➤ Why? Why not?

➤ Are there any critical gaps?

➤ What additions and/or revisions, if any, should be made?
Unpacking the 9 Steps

Discussion Questions

➤ Is this 9-step siting process **fair** and **appropriate**? Why? Why not?

➤ Are there any critical elements and considerations **missing** or not adequately addressed?

➤ How might we **strengthen** each of the individual steps and/or the process as a whole to make it as fair and appropriate as possible?
