Implementing Adaptive Phased Management 2012 to 2016

DRAFT FOR PUBLIC REVIEW

1. The draft Plan is built around seven strategic objectives. Are the objectives that we have identified appropriate? Have we missed key areas?

seems to be so far

2. The draft Plan identifies work and activities we propose to undertake to accomplish these objectives. Have we set out appropriate activities?

yes

3. The draft Plan is intended to anticipate the challenges ahead and plan for them. Over the next five years, what are the key challenges that will need to be addressed?

you've got it covered

4. What will the NWMO need to put in place to respond to these challenges?

clean up crews, shipping facilities
and crews to man them. + security

5. Other comments, questions or suggestions?

I'd like to see nuclear stopped but that's not going to happen. so why can't we make nuclear furnaces, or generators for public. keep up the good work :)
