Implementing Adaptive Phased Management 2010 to 2014

DRAFT FOR REVIEW

1. The draft Plan is built around seven strategic objectives. Are the objectives that we have identified appropriate? Have we missed key areas?

I feel very confident that the NWMO has covered every possible area. I am glad they are taking the time to make sure they get it right.

2. The draft Plan identifies work and activities we propose to undertake to accomplish these objectives. Have we set out appropriate activities?

In the 3 years, the NWMO has been working on this plan. They have been open to ideas from other countries, experts and the public. So pleased to hear about the Youth Roundtable!

3. What more would you like to know about the NWMO's implementation plan?

I have been a member of the citizen panel for the last couple of years and am very impressed with the process that NWMO has implemented.

4. Other comments?

It has been a privilege to be one of the more informed Canadians on what NWMO is all about and how thorough they have been and their plans for the future.
