Implementing Adaptive Phased Management 2011 to 2015

DRAFT FOR PUBLIC REVIEW

1. The draft Plan is built around seven strategic objectives. Are the objectives that we have identified appropriate? Have we missed key areas?

ONE AND THE MAIN OBJECTIVE SHOULD BE APART FROM THOSE LISTED, THE URGENCY OF THE PROBLEM TO SOLVE AS URANIUM POWER WILL BE THE SAVIOUR OF THE ENERGY PROBLEM

2. The draft Plan identifies work and activities we propose to undertake to accomplish these objectives. Have we set out appropriate activities?

THE PLANNED REPOSITORY APPEARS TO BE ONE DESIGNED FOR THE PURPOSE. ARE ALL ALTERNATIVES TO UTILIZE CLOSED MINE WORKINGS TO REHABILITATE FOR THE PURPOSE

3. The draft Plan is intended to anticipate the challenges ahead and plan for them. Over the next five years, what are the key challenges that will need to be addressed?

THE NEED TO MOVE AHEAD WITH DECISIONS THAT NEED TO MAKE THE NEXT FIVE YEARS THE GOAL AND NOT THE NEXT TEN.

4. What will the NWMO need to put in place to respond to these challenges?

THE WILL TO PLACE A TIGHTER CONTROL ON THE TIMELINES AND GO AHEAD WITH AN AREA TO EXCAVATE AND ADAPT TO THE "PERFECT" PLACE YOU ARE LOOKING FOR.

5. Other comments, questions or suggestions?

GOOD LUCK - TIME IS REALLY OF THE ESSENCE.
