

**Nuclear Waste Management Organization
Implementing Adaptive Phased Management 2008 to 2012**

First, the draft Plan is built around objectives in seven key areas.

Have we identified the right objectives? Have we missed key areas?

(1) Yes, you have identified the key objectives; I do not have anything to add to these proposed objectives.

Second, the draft Plan identifies work and activities we propose to undertake to accomplish these objectives.

Have we set out appropriate activities?

(2) The appropriate activities have not been in the London area, as I have discussed it with well informed educated persons, and they are not aware of the activities of NWMO; selection of nuclear waste management - the (disposal) how it affects every walk of life.

Third, what more would you like to know about the NWMO's draft Implementation Plan?

(3) I would like to know future dates of implementation of the plan.

Please provide us with any comments on our draft transparency policy.

(4) What vehicle, will you be using to communicate to the general public about your transparency plan. would you consider public forums, or public speakers (or otherwise) to get your message across!
